Price increase:

There has been a price increase of 7.24%.

The reason for the rise in price is due to the increase in costs for energy, food and labor. The price increase is necessary so that we can invest in equipment and staff, so that we can continue to offer your children a wonderful time at Majest. We want to achieve this by, for example, investing even more in staff training in the coming years.

Please note:

Parents who both work at least 1 hour per month are entitled to 230 hours of child care allowance per month.
